# bandra cafe

on marine drive

"Mumbai has my heart, but Bandra has my soul."

The calming breeze of the ocean at Marine Drive, the nostalgic old-world charm of Pali Hill, the unbeatable street food on Carter Road; this is Bandra, Mumbai. Known as the "Queen of the Suburbs," Bandra is home to Bollywood's biggest stars, breathtaking beach views, and, above all, old Irani cafes. These cafés were the soul of Bandra: a place where friends, families, couples, colleagues, neighbours, strangers -- people from all walks of life -could bond over good food and chilled drinks. This is what Bandra Cafe represents.
